Bible Name: Azgad   **Language:** Hebrew   **Pronunciation:** az-gawd'

Meaning: The name 'Azgad' means 'Mighty-Fortune.' It is derived from two Hebrew root words. The first is 'Az' meaning 'to be strong', 'to be mighty', 'to be fierce', 'to be harsh' or 'to be impudent.' The second root word is 'Guwd' meaning 'to attack', 'to invade', 'to overcome' or 'to crowd upon.'

Alternative meanings include: 'Strong-Troop', 'Mighty-Troop' or 'Gad is Mighty.'

Please note: The word 'Gad' can also have reference to a 'fortune' (in the sense of an invading army collecting and distributing the spoils of war among the victors). This is most likely the case here.
